The purpose of this Dealer Management System Web Application is to record the Dealer Activity as well the secondary sales recording. Dealer Management System will be used to track and helps to dealers of a company. DMS will be a centralized application that captures sales and inventory information to facilitate better inventory management and provide visibility on dealer operations.

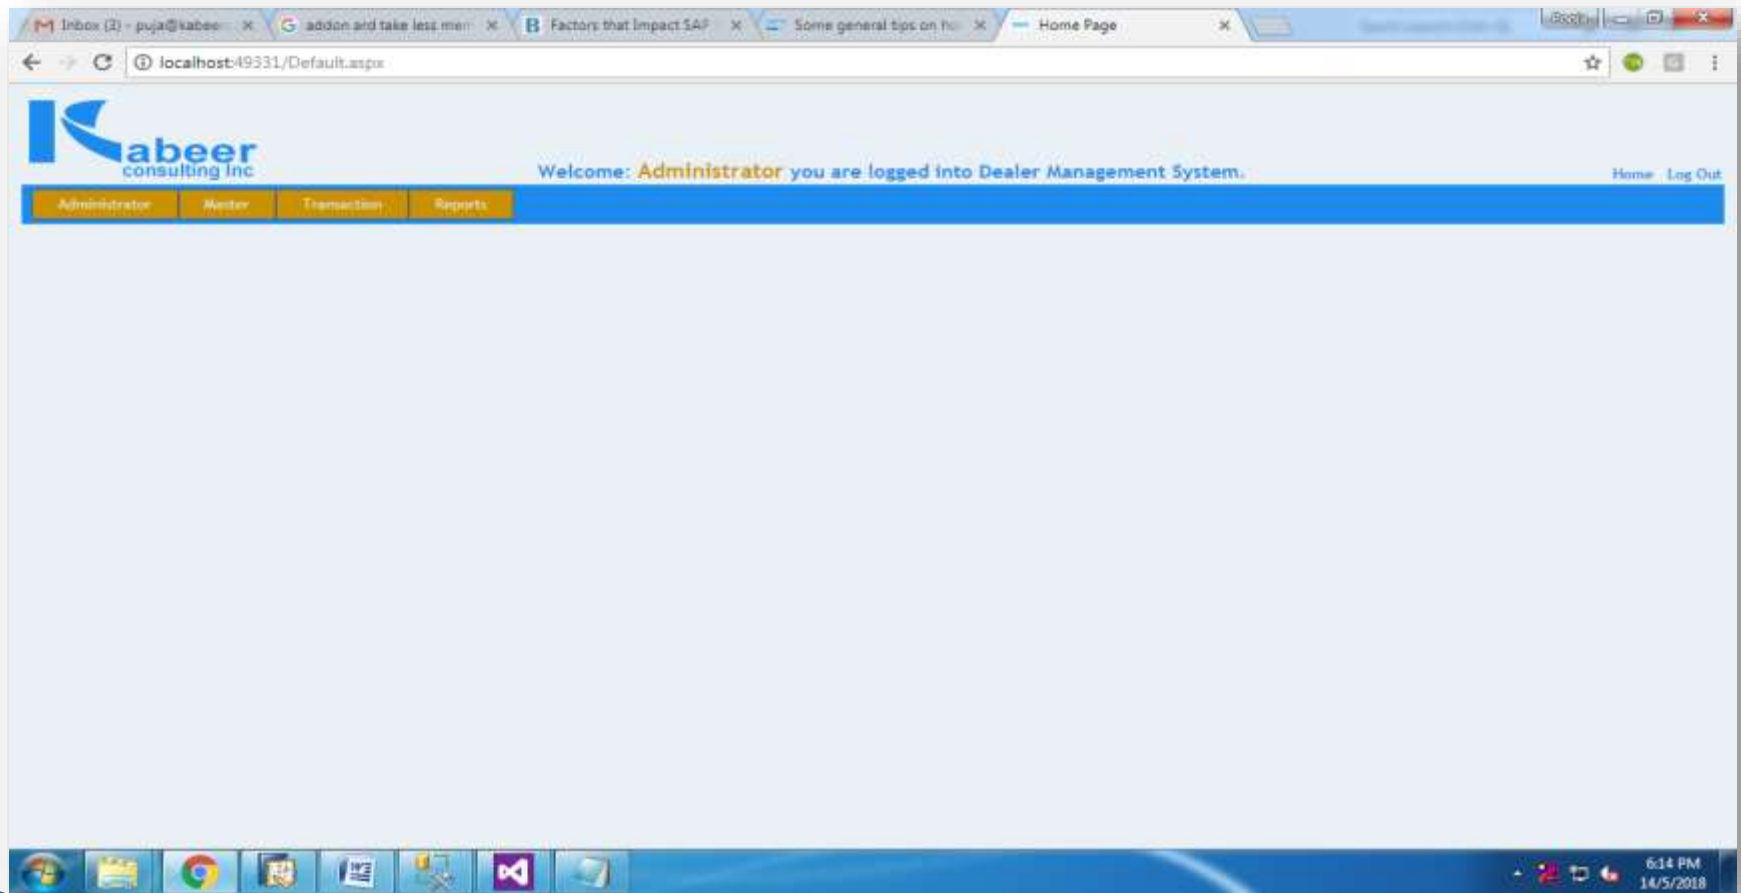

# Login Page

This screen will be used to login into DMS application by dealers and employee.

A screenshot of a web browser window showing the 'Member Login' page. The browser's address bar shows 'localhost:49331/Account/Login.aspx?ReturnUrl=%2fDefault.aspx'. The page features the 'abeer consulting inc' logo in the top left. The main content area contains a 'Member Login' form with the following fields: 'Company Name' (a dropdown menu set to 'Select'), 'User Type' (a dropdown menu set to 'Dealer'), 'BP Code' (a text box containing 'B00001'), 'User ID' (a text box containing 'Admin'), and 'Password' (a text box with masked characters '\*\*\*\*\*'). Below these fields is a checkbox labeled 'Remember me next time.' and a blue 'Log In' button. The Windows taskbar at the bottom shows various application icons and the system clock indicating 6:12 PM on 14/5/2018.

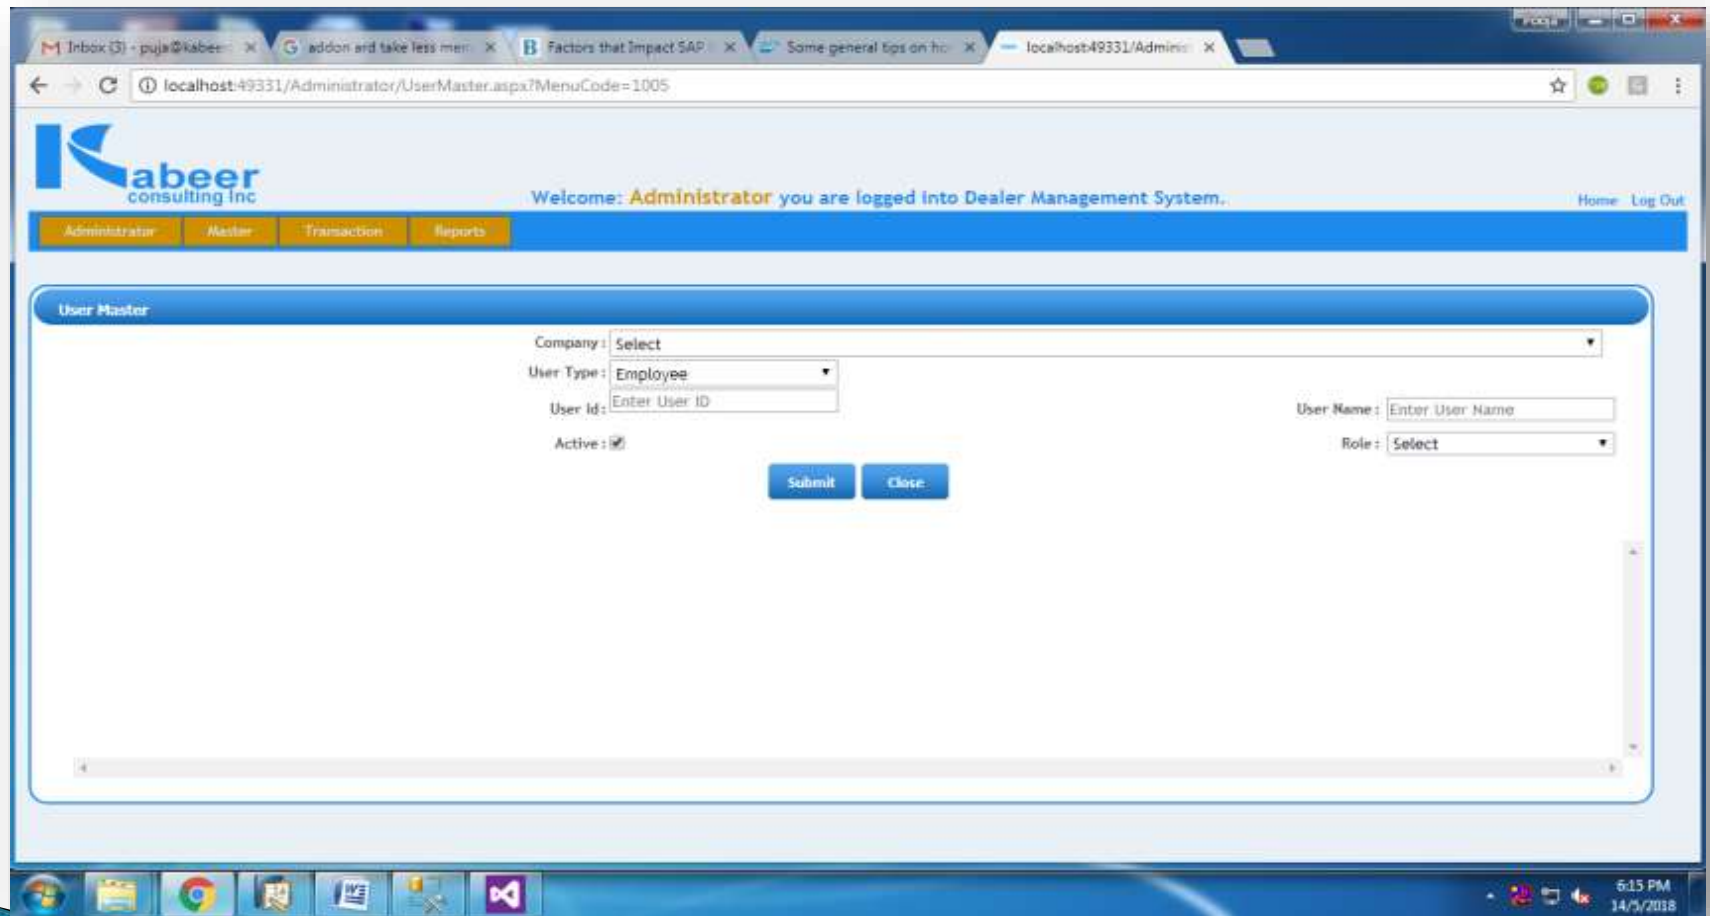

# Home page

This screen is home screen, once you get logged in the DMS this screen will appear.

# User Master

This screen is for creation of the users like employee user and dealer user.

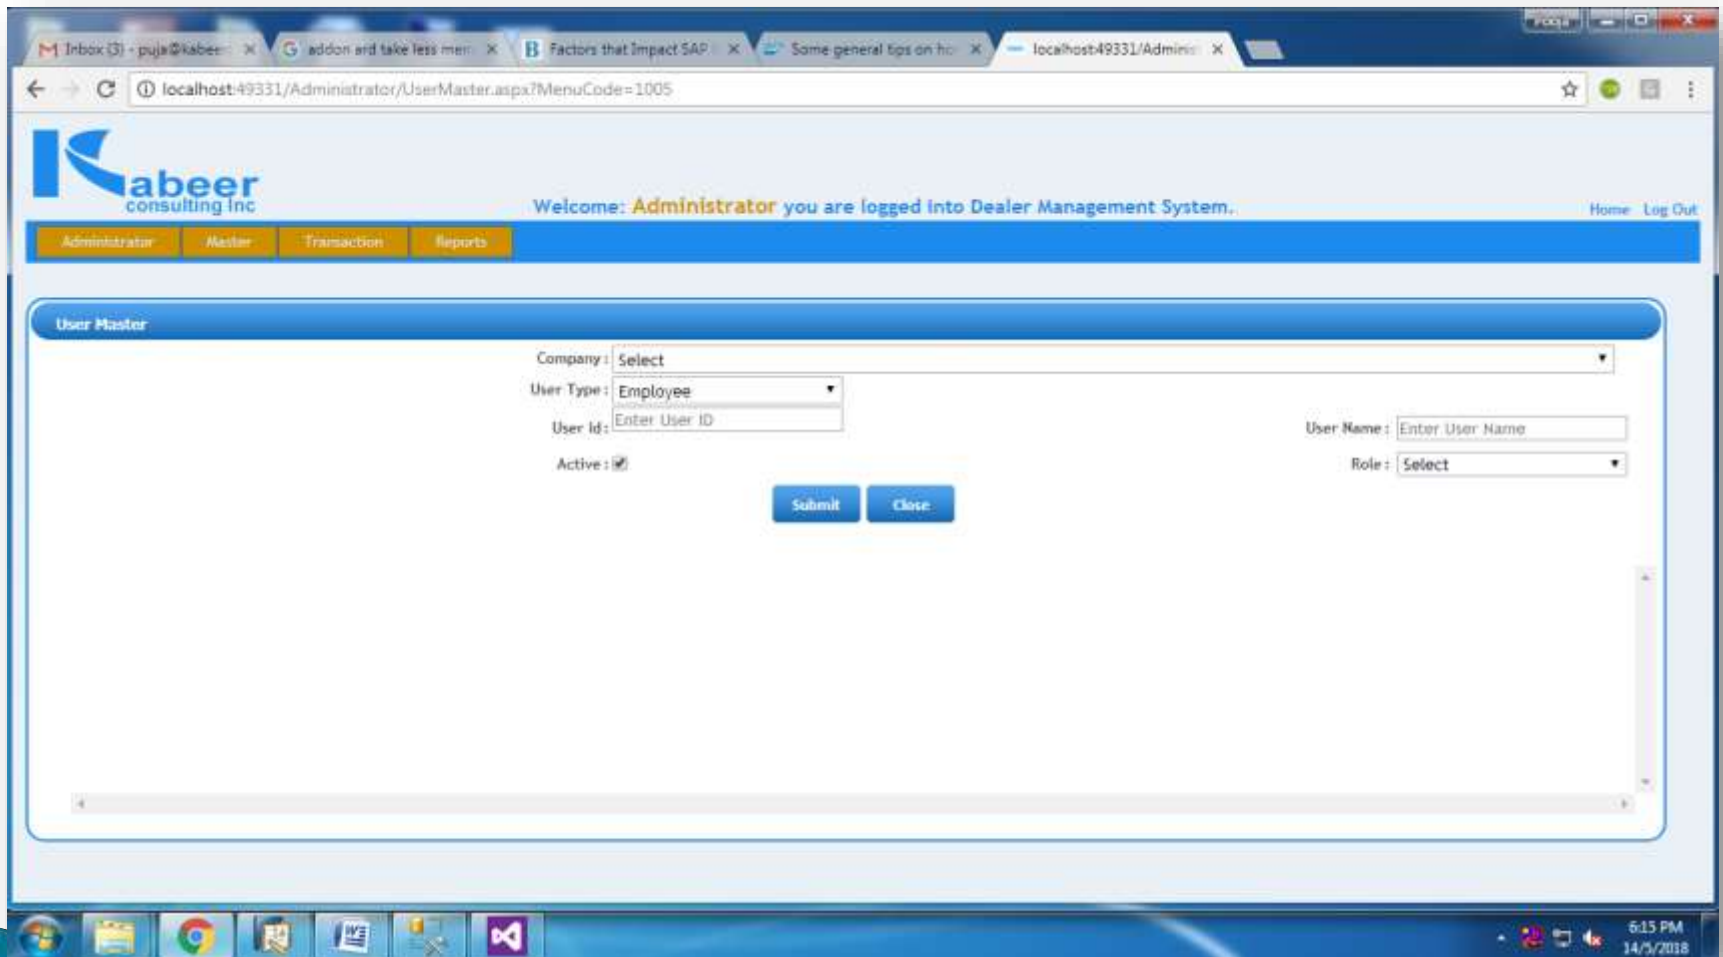

The screenshot displays a web browser window with the URL `localhost:49331/Administrator/UserMaster.aspx?MenuCode=1005`. The page features the 'abeer consulting inc' logo and a welcome message: 'Welcome: Administrator you are logged into Dealer Management System.' A navigation bar includes links for 'Administrator', 'Master', 'Transaction', and 'Reports'. The main content area, titled 'User Master', contains a form for creating a new user. The form includes the following fields and controls:

- Company:** A dropdown menu currently set to 'Select'.
- User Type:** A dropdown menu currently set to 'Employee'.
- User Id:** A text input field with the placeholder text 'Enter User ID'.
- Active:** A checkbox that is currently checked.
- User Name:** A text input field with the placeholder text 'Enter User Name'.
- Role:** A dropdown menu currently set to 'Select'.
- Buttons:** Two buttons labeled 'Submit' and 'Close' are positioned below the form fields.

The Windows taskbar at the bottom of the screen shows the time as 6:15 PM on 14/3/2018, along with icons for various applications including Internet Explorer, Google Chrome, and SAP.

# Change Password

This screen is for change password for the existing users.

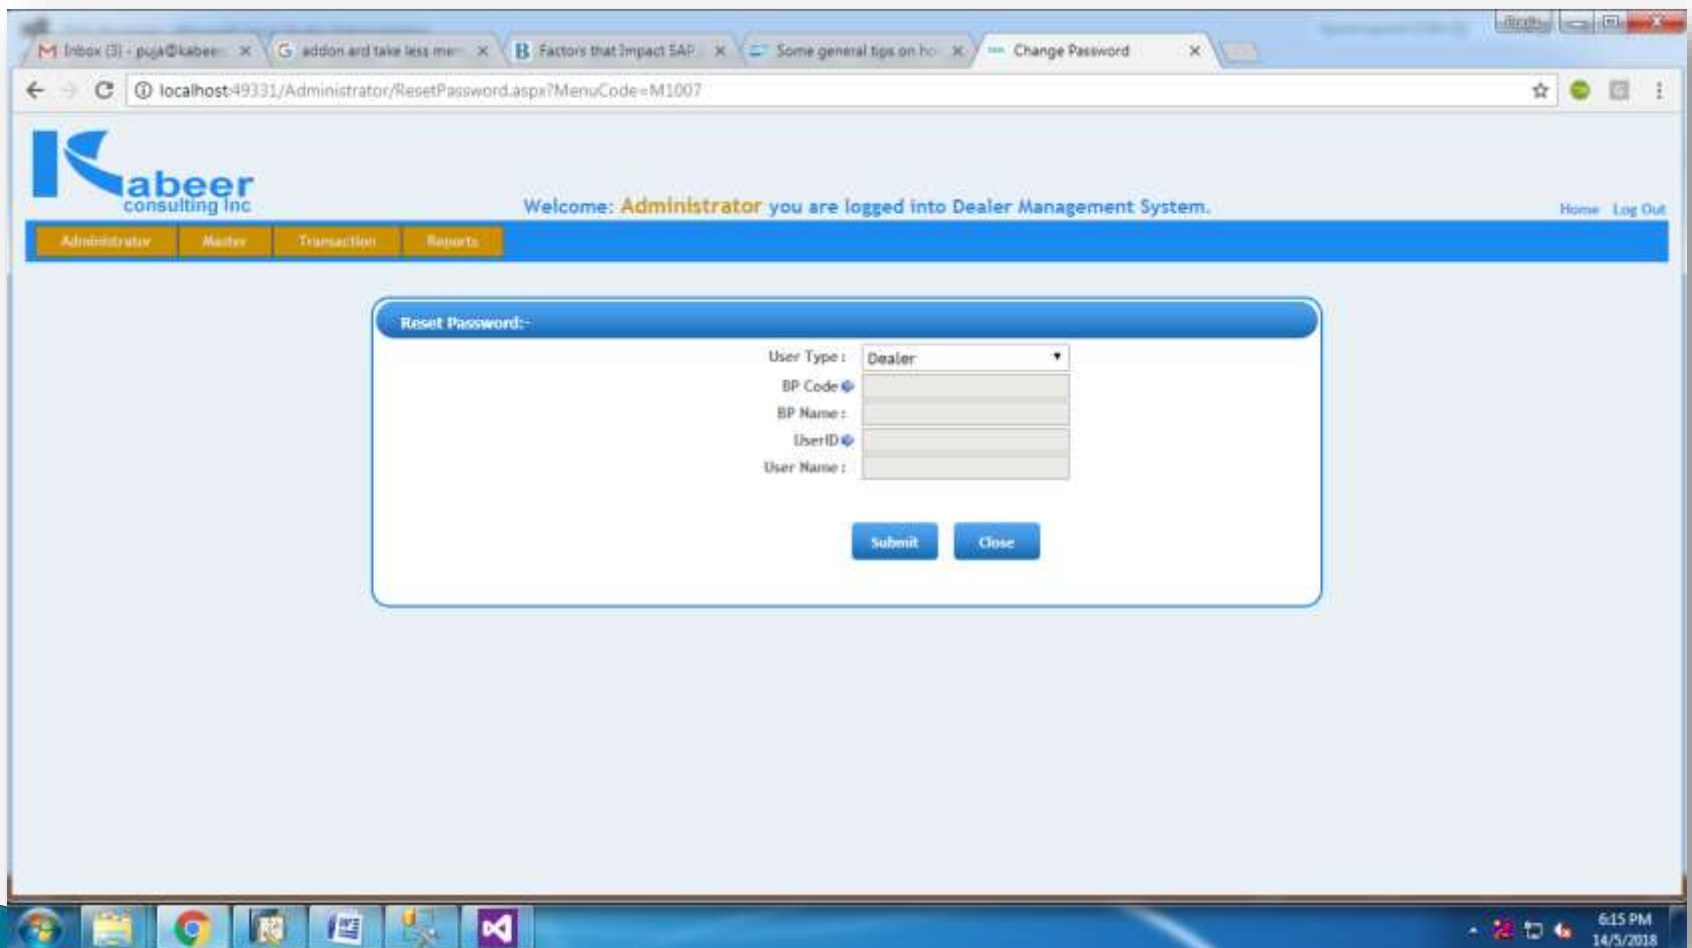

The screenshot shows a web browser window displaying the 'User Master' form. The browser's address bar shows the URL: `localhost:49331/Administrator/UserMaster.aspx?MenuCode=1005`. The page header includes the 'abeer consulting inc' logo, a welcome message 'Welcome: Administrator you are logged into Dealer Management System.', and links for 'Home' and 'Log Out'. A navigation bar contains buttons for 'Administrator', 'Master', 'Transaction', and 'Reports'. The 'User Master' form itself has a title bar and contains the following fields:

- Company:** A dropdown menu currently showing 'Select'.
- User Type:** A dropdown menu currently showing 'Employee'.
- User Id:** A text input field with the placeholder text 'Enter User ID'.
- Active:** A checkbox that is currently checked.
- User Name:** A text input field with the placeholder text 'Enter User Name'.
- Role:** A dropdown menu currently showing 'Select'.

At the bottom of the form are two buttons: 'Submit' and 'Close'. The Windows taskbar at the bottom of the screen shows the time as 6:15 PM on 14/5/2018.

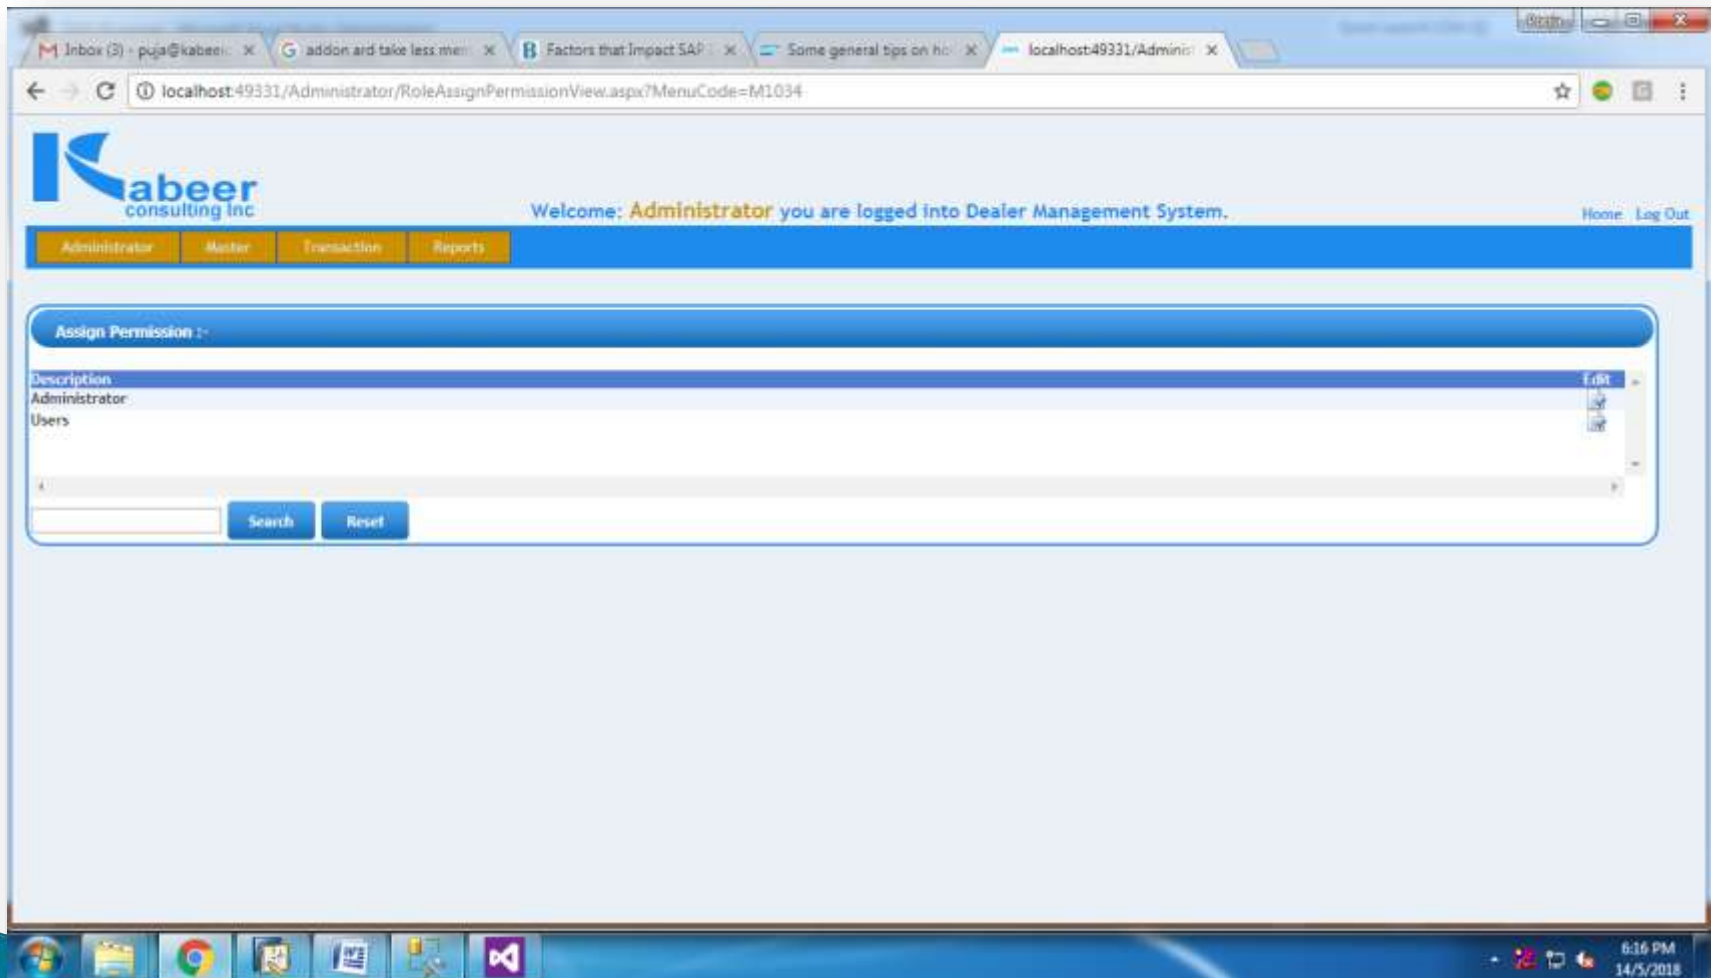

# Reset Password

This screen is used to Reset and create new password for the existing users.

A screenshot of a web browser displaying the 'Reset Password' page of the Dealer Management System. The browser's address bar shows 'localhost:49331/Administrator/ResetPassword.aspx?MenuCode=M1007'. The page header includes the Kabeer consulting Inc logo, a welcome message for the Administrator, and navigation links for Home and Log Out. A blue navigation bar contains links for Administrator, Master, Transaction, and Reports.
